

SELLERS (Influencers, Businesses, Creators)

FREE PLAN – “Starter”

Best for new creators testing merch.

Monthly price: €0

Platform commission: 15% per sale

Includes:

- 1 storefront
- Up to **5 listed products**
- Use AI design (limited: e.g. 10 generations/month)
- Basic analytics
- Community access
- Hire designers (commission-only)

Limitations (intentional):

- No custom domain
- No advanced marketing tools
- Higher commission

 Purpose: **Remove friction, maximize sign-ups**

CREATOR PLAN – “Growth”

Best for micro & mid influencers.

Monthly price: €19 / month

Platform commission: 10% per sale

Includes everything in Free +

- Unlimited products
- Unlimited AI design usage (standard quality)
- Discount codes & promotions
- Advanced analytics
- Affiliate links
- Priority print queue
- Custom storefront branding

👉 Break-even example:

If a creator makes €300/month → platform earns €30 commission + €19 = **€49**

PRO PLAN – “Brand”

For serious influencers & brands.

Monthly price: €49 / month

Platform commission: 5% per sale

Includes everything in Creator +

- Custom subdomain (e.g. yourname.myhappinessclub.com)
- Early access to new features
- Featured placement eligibility
- White-label storefront (minimal MyHappinessClub branding)
- Team access (agency / group)

👉 Break-even example:

€1,000/month sales → platform earns €50 commission + €49 = **€99**

DESIGNERS

FREE PLAN

Designers should **never pay upfront**.

Monthly price: €0

Platform commission: 10% on earnings

Includes:

- Portfolio page
- Apply to job offers
- Commission-based collabs
- Fixed-fee collabs
- Secure file handling
- Dispute protection

👉 Designers only pay when they earn.

DESIGNER PRO (Optional, Later)

Monthly price: €15 / month

Platform commission: 5%

Extra features:

- Portfolio boost
 - Priority in job listings
 - Featured designer badge
 - Advanced analytics
-

AI DESIGN USAGE (Important Monetization Lever)

Included Limits

- Free Seller: **10 AI generations / month**
- Creator: Unlimited (standard quality)
- Pro: Unlimited (high-res + commercial priority)

Add-on Packs (Optional)

- €5 → 25 extra generations
- €10 → 100 extra generations

👉 This can quietly become a **strong revenue stream**.

COLLABORATION FEES (Optional but Powerful)

For **fixed-fee collaborations**, platform takes:

- **5% escrow fee** (paid by seller)

Example:

- Seller pays designer €200
- Platform earns €10

This is accepted industry practice and feels fair.

BUYERS

No subscriptions for MVP.

Revenue from buyers:

- Product margin included in seller pricing
 - Optional future: VIP access (€5/month)
-

WHY THIS WORKS

Compared to competitors:

- Lower barrier than Fourthwall
- More flexible than Printful
- Better creator tooling than Spring

Platform earns from:

1. Subscriptions
 2. Sales commissions
 3. AI usage
 4. Collaboration escrow
 5. Featured placements (later)
-

Year 1 Example (Conservative)

- 1,000 active sellers
 - 60% Free
 - 30% Creator

- 10% Pro
- Avg revenue per seller/month: €200

Estimated monthly revenue:

- Subscriptions ≈ €9,000
 - Commissions ≈ €12,000
 - AI add-ons ≈ €3,000
👉 ~€24,000 / month
-

Final Recommendation

For MVP launch:

- Start with **Free + Creator**
- Add **Pro after traction**
- Keep designers free
- Push AI as a growth accelerator, not a replacement
